Sir,

With reference to Government ~
Proceedings no. 4665-6 dated the 20th
L.B. 167-07-1
relating, sanctioning the levy of tolls
on the Bisle Ghat road near Vanapur,
with effect from the 1st instant and
requesting me to make needful arrange-
ments in the matter, I have the honor
to state that as it was not considered
desirable to sell the right to collect
tolls at the toll-gate in question by
public auction, without working it
for some time by Amami (as was done

in

in the case of the other tolls in the District) and forming some idea of the probable receipts therefrom, a reference was made to the Senior Assistant Commissioner, Saklespur enquiring whether there was any accommodation available for the toll-house and what establishment is required for working the toll. In reply the Assistant Commissioner has reported that no accommodation being available for the toll-house a shed will have to be run up for the purpose at a cost of Rs 20/- and that an establishment, consisting of 2 muleaddies together with contingent charges at Rs 2/- per month, is necessary for the working of the toll.

2. As, before starting the levy of the tolls, it was necessary to obtain the information from the Assistant Com-

-missioner

Commissioner and to publish the necessary notification, as required in para 62 of the Local Boards Rules, concerning the levying of the tolls at the toll-gate, in question, it has not been found possible to open the toll gate from the 1st December/07, as directed in the Government order under report.

3. In these circumstances I request that Government may be pleased to sanction the opening of the tollgate ^{in question} from 1st January 1908.

4. Further as there is no provision in the current year's District Fund budget on account of toll-gate charges, I request that the cost of this toll-gate, for a period of 6 months of the current official year, from 1st January/08 amounting to Rs. 180/- as

per margin may be ordered

Toll shed charge	Rs 20/-
Establishment - do	—
